

21st meeting of the European Working Group on Operational meteorological Workstations (EGOWS)

1 – 4 June 2010

Programme

Tuesday, 1st June

10:00 Registration opens with Coffee

10:30 SESSION 1

10:30 E. Andersson (Head of Meteorological Division), *Opening & Welcome*

10:45 S. Siemen, *Organisational notes*

11:00 S. Siemen, ECMWF: *Overview of ECMWF and how visualisation is used*

11:30 I. Russell, ECMWF: *Metview 4 – ECMWF's next generation meteorological workstation*

12:15 Lunch

13:45 Tour of Computer Hall and MetOps room

14:30 SESSION 2 – Forecaster workstations

14:30 S. Haucke, DWD: *NinJo - recent developments*

15:00 L. Bergholt, met.no: *Diana - Status and recent developments*

15:15 A. Christoffersen, met.no: *Developments on the operational systems at met.no*

15:30 Coffee break

16:00 P. Trevelyan, Met Office: *Invent*

16:30 B. Raoult, ECMWF: *WREP - The web re-engineering project at ECMWF*

17:00 Cocktails

Wednesday, 2nd June

09:15 SESSION 3 – OGC standards in meteorology

09:15 C. Little, Met Office: *Discussion: The OGC and the MetOcean DWG*

10:00 *Conceptual modelling update*

10:30 Coffee break

11:00 I. Rinne, FMI: *Discussion: OGC SLD & Symbology Encoding (SE)*

12:00 S. Siemen, ECMWF: *Discussion: WMS*

12:30 Lunch

14:00 *Special session – MetOcean WMS Interoperability Experiment*

15:30 **Coffee break** (Atrium)

16:00 **Exhibition/Demo session** (presentations of systems)

18:00 Finish

Thursday, 3rd June

09:15 SESSION 4 – Forecaster workstations

Chair:

09:15 M. Rajnai, OMSZ: *Current state of HAWK-3*

09:30 M.-F. Voidrot-Martinez, Meteo France: TBD

10:00 I. Rinne, FMI: *Implementing Weather Object Editor SmartMet II*

10:30 Coffee break

11:00 J. Matula, IBL: TBD

11:30 K. Commins, Met Eireann: *Forecast workstation in MetEireann*

12:00 Lunch

13:30 Start of social program (Oxford)

19:00 Dinner (“Loch Fyne”, Reading)

Friday, 4th June

09:15 *Discussions*

10:30 Coffee break

11:00 *Closing discussions*

12:00 End of meeting
